Dear Mississippi River Parkway Commission Members:

The Allamakee County Board of Supervisors supports the Allamakee County Conservation Boards request to have the Driftless Area Education and Visitor Center be nominated to the Great River Road network of Museums & Interpretive Centers.

We feel the qualities and features of the Driftless Area Education and Visitors Center will complement the other centers on the Great River Road Network. We also recognize the marketing benefits for the Driftless Center being on the Great River Road Network.

Thank you for your time on this matter.

Sincerely,

Larry Schellhammer

Chairperson of the Allamakee Co. Bd. of Supervisors
