Dear Mississippi River Parkway Commission Members:

On behalf of the Allamakee County Conservation Board I would like to express their full support towards the Driftless Area Education and Visitor Center applying to be listed as a destination along the Great River Road.

Our Board approved to submit the nomination form for the Mississippi River Parkway Commission's "Great River Road Network of Museums and Interpretive Centers Nomination Form" on April 4th, 2017. Our Board believes our Center will be an asset to your network of Museums and Interpretive Center for the following reasons: our Center relates to every aspect of the MRPC's overall themes, our location is immediately adjacent to the Great River Road, and our Center meets the Principles and Core Management Directions and Action for the Great River Road highlighted in the CMP.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "James Janett". The signature is fluid and cursive.

James Janett

Director, Allamakee County Conservation Board
