

Great River Road Network of Interpretive Centers

Visit Checklist

State commissioner visits annually or bi-annually by making an appointment with the I.C. Director or other appropriate personnel.

The goal is to develop a stronger relationship between the Interpretive Centers (I.C.) and the MRPC.

During the visit, the commissioner will review the checklist and share new or ongoing information about the MRPC. These talking points should include benefits of being an I.C. (e.g., featured on website, printed maps, social media, itineraries and more.)
