    - Motion made by MS, seconded by MN – passed
- Review IC Checklists
  - Joe St. Columbia reported on ICs in their areas
  - Ann Grier Putnam Museum for continued nomination concerns
    - Reiterated up to the individual states
    - Are they representing us? (Arch is a perfect example.)
    - Ann is going to talk to the Director and will come back to group. Chair will then write them a letter with their decision
    - Martin explained their Passport program focusing on ICs in IA
      - Ruth mentioned to somehow incorporate other states
  - Faye reported on MS
  - Clarissa will visit those in KY and report next time
  - Dennis reported on 4 of 6. Don't talk to each other.
  - MN thought Chris had submitted ICs checklists to National. We would ask National Office to review checklists and if there are centers who have not been contacted to let us know.
- CMP
  - Ruth pointed group to pages 11-12 and Intrinsic Resources under #4 and #5 the GRR Interpretation and Storytelling
    - Asked if everyone turned in stories to Frank.
    - Ruth will follow-up with Frank if he received stories from everyone. Then what should be the next steps?
  - Matching 10 stories with river
    - Ruth thought 10 stories pick 10 key IC to each story as a rackcard
    - Sort data from what we collected
    - Ruth explained the 10 themes available on member web site.
    - Sheronne/Ruth will review database
    - Ruth asked committee to review these items
- Strategic Plan
  - Preservation and promotion of intrinsic resources. Possibly database addressing the preservations.
  - Need to look seriously what are things we value along the route. Sample ordinances/easements available.

- John gave examples and Nancy gave county examples
- Ruth's idea is a resource database to be developed
- John will reference what he has
- Terri brought up curriculum—Our Mississippi
- Sheronne brought up having an Interpretive Center Recognition – group agreed
- Adjourned 4pm
