- MRPC Fall Meeting Plans *Lewis/Committee Chairs*
(The MRPC Executive Committee decided the Fall Annual meeting should continue to be virtual and is likely to occur early in October. One of the goals will be to invite more participation in working committee sessions of interest to our transportation, travel promotion, and state partners. With Zoom, we can offer working sessions of shared significance, especially in relation to the All-American Road designation. Please come prepared with ideas and “wishes” for such sessions for your committees.)
- MRPC Member Web Site Directory Demonstration *Thiede-Barnet*
