## GRR NETWORK OF INTERPRETIVE CENTERS SIGNAGE NEEDS

We are surveying interpretive centers who are currently without Great River Road signage. Please indicate your needs below. Each interpretive center is responsible for their signage expense. Maximum cost per item is listed below. If we place a group order of five or more of an option below, the price will be less than what is listed. Please complete the form below to indicate your needs. Completing this form allows us to see the needs throughout the 10 states. We will communicate with everyone prior to placing the order.

Signage Size: 55" high x 22" wide

Check all that apply

- ☐ Option 1 - Vinyl Overlay - You already have an existing panel but need the vinyl replaced.
- ☐ Option 2 - Sign panel only - You need a sign panel.
- ☐ Option 3 - Poll only - You need a poll for your new signage.

The prices above do not include shipping. The sign company is located on the border of Illinois and Iowa in East Dubuque.
